Q5 Sportback

**Extravert look
with distinctive Matrix LED signature**

Elegant silhouette all around
over high rear bumper sharpen the powerful sportback character.
Dynamic S line air inlets and Singleframe, roof spoiler,
aluminium roof rails plus a chrome strip framing the rear diffuser.

Power drive

The Audi Q5 Sportback 45 TFSI quattro 2.0-litres petrol engine generates 185kW
delivering 265 hp and 370Nm of torque,
sprinting from 0 to 100km/h in 6.1 seconds and reaches a top speed of 240 km/h.

The Mild Hybrid Electric Vehicle system features 12-volt and a compact lithium-ion battery.
BSG recuperates braking energy and stores it in the battery.
MHEV allows coasting with the engine off, and start-stop mode at speeds below 22km/h.

Seven-speed S tronic automatic transmission coupled to quattro ultra keep fuel consumption low.
The lightweight multilink suspension at front and rear boasts sharp handling and subtle ride.

Enjoyable drive

Head-up displays data directly on the windscreen and Audi Virtual cockpit plus in the dashboard over 12.3-inch high resolution screen. All windows are heat resistant, in addition, the windscreen features acoustic glass.

First-class interior space

2.82 metres wheelbase makes room for a generous interior. 10.1-inch MMI touch display with acoustic feedback is centrally located on the dashboard.

Multicolor contour/ambient light sculpts visually the interior. Matt brushed aluminium inlays and scuff plates with aluminium inserts in the front illuminated with S logo highlight the exquisite interior.

Manual binds at the rear door windows add to the privacy feel. Audi's sliding rear bench plus - with adjustable backrests - opens up a luggage space of 570 to 1,480 liters. A variable folding floor mat comes as standard, as well as a power tailgate opening and closing for more convenience.

Audi Q5 driving assistance systems include electromechanical power steering, cruise control, tyre pressure monitoring, regenerative braking energy recovery, Start Stop system, comfort key, Hold Assist, Audi drive select, plus 360 cameras to facilitate parking.

Sport front seats are electrically adjustable, the driver seat has memory. Dinamica Frequenz microfiber/leather combination seats with embossed S.

With one of the lightest body shells in the segment plus best in-class $c_{d\text{at}}$ 0.31, the refined aero-acoustics ensure an exceptionally quiet interior.

The Audi Q5 Sportback is painted four times to ensure a powerful look over its lifetime. Express your personality from the large choice of eleven solid or metallic paint colors.
