

e-tron

Quiet aerodynamics, gliding driving

Feel electric direct power from two electric motors coupled to the clean smooth ride, plus quattro all-wheel drive distribution to the front and rear axles self-adjusting to the road conditions. With 230 kW, torque is plentiful and the acceleration impressive, taking only 6.8 seconds from 0 to 100 km/h.

Learning from the past to forge the future.
Audi e-tron embodies 50 years of "Vorsprung durch Technik".
Future is an attitude.

Sporty progressive electric SUV

Striking front closed octagonal Singleframe with vertical sections, dynamic lighting signature.
Aerodynamic roof line, long roof edge spoiler.
Exclusive light strip across the rear underlines the futuristic look of the Audi e-tron.

The image shows the interior of a modern Audi car. The view is from the driver's perspective, looking towards the front of the vehicle. The dashboard is dark with a large central touchscreen displaying navigation and media information. The steering wheel is black with the Audi logo in the center. The front seats are upholstered in a light-colored, textured material, likely leather or leatherette. The interior is illuminated with ambient lighting, creating a warm and sophisticated atmosphere. The car is parked in an urban setting, with buildings and a street visible through the windows.

Move off dynamically, arrive relaxed

Assistance systems include Audi Virtual Cockpit, Audi Drive Select, Head-up display, parking aid plus with 360 camera

Exclusive infotainment

MMI touch response in 10.1 and 8.6-inch high-resolution screens, Bang & Olufsen Premium Sound System with 3D sound, Multi color ambient lighting package.

Premium materials, high-quality workmanship

Comfortable leather seats at front and rear, power front seats with 4-way lumbar support, driver's seat with memory, front comfort centre armrest, four zone individual air conditioning including at rear for a lounge feel all around.

Courage and willingness to change shape progress

[Charging]

Electric has gone Audi

Welcome to the new mobility

One less thing to worry about

Refill at home on a standard power socket for up to 336 km on a single charge (WLTP).

Coming with the car, the mobile E-tron charging system compact up to 11 kW (AC) ensures full charging in 8.5 hours (0-100%).

Recharge faster on an industrial power socket up to 22 kW (AC), using the compatible plug included or even extremely fast connecting in DC up to 150 kW.

On the move, Mode-3 charging cable with type 2 plug comes handy for public charging stations up to 11 kW (AC), or super fast from charging stations up to 150 kW (DC).

Produced at the CO2-neutral plant of Audi Brussels in the European Union, the Audi e-tron is the first fully electrically powered series production model from Audi.

“It is my nature to discover new things in life.”

Great ideas usually need great space

All five passengers enjoy a large roomy interior

Generous flexible space

Folding rear seats expands luggage space from 600 l to 1,725 l. The compartment under the bonnet adds 60 l storage space.

Audi e-tron

A new energy has arrived

Technical data

Drive system:	Battery Electric Vehicle (BEV)
Two fully electric engines:	At front and rear axle
Transmission:	Single speed
Battery:	400 volts, 95 kWh, lithium-ion
Max output in kW, boost:	265 (100 continuous), 300
Max torque in Nm, (boost):	561 (664)
Max speed (km/h):	200
Acceleration 0-100 km/h (boost) in sec:	6.6 (5.7)
Length x Width x Height (mm):	4,901 x 1,935* x 1,629 *(2,192 incl. mirrors)
Wheel base (mm):	2,928
Kerb weight (kg):	2,490
Power charging:	AC 11 kW or 22 kW DC 150 kW
Capacity (WLTP) on single charge (km):	Up to 417
Combined consumption (kWh/100 km):	26.2-22.6 (WLTP)
Alloy wheels:	Audi Sport 5-double-spoke edgestyle, Matte Titan. Gray, diamond turned 9J x 20
Tires:	255/50 R20

Matrix LED headlamps with dynamic light design and dynamic turn signal, separate daytime running lights
Scuff plates with aluminium inserts in front and rear illuminated
Door entrance LED projector lights in front and rear (50 quattro)
Leather multifunction steering wheel with shift paddles
Audi Virtual cockpit plus, Parking aid Plus with 360° display, 360 cameras
Head-up display, Audi Drive Select, Progressive steering,
Four-corner air suspension with electronic shock absorption control
Tyre pressure monitoring, Cruise control, speed limiter, Electronic immobilizer
Remote control key keyless entry, power-assisted closing for the doors
Luggage compartment lid electrically opening and closing
Regenerative coasting and braking energy recovery system
Disc brakes 19" (front) and 18" (rear) with brake calipers painted in Orange
Electric quattro permanent electric four-wheel drive (Auto, Dynamic, Off-road)
Electrically adjustable front seats with 4-way lumbar support, driver's seat with memory
Front comfort centre armrest for driver and front passenger
Valcona leather (55 quattro Advanced), Leather leatherette combination seats
Seats with integral head restraint system, Sport front seats (Advanced)
Frameless interior mirror with automatic anti-glare action
Exterior mirrors, heated, with automatic anti-glare action, electrically folding with memory
Panoramic sunroof
Windshield, Side and rear window in heat-insulating glass,

acoustic glass windshield
Manual sunshade for the rear door windows, smoker package
Four-zone deluxe automatic air conditioning
Bang & Olufsen Premium Sound System with 3D sound
Audi Music Interface (50 quattro), USB port with charging at rear (Advanced), Bluetooth interface, Audi smart phone interface, connect package, 12V socket
Storage and luggage compartment packages, aluminium roof rails,
High gloss Styling package, rear spoiler
Upper part of dashboard in leatherette
Decorative inserts in Matte Brushed Aluminum, dark
Glossy Black operating buttons with haptic feedback and aluminum Look interior
Multi-color ambient lighting package plus
Floor mat in front and rear, Luggage compartment cover and floor mat
660 liters luggage space (1,725 liters with rear seats folded)
Collapsible spare tire, first aid kit, warning triangle, safety vest, tool kit and car jack,
Side airbags in front and curtain airbag system, seat belt reminder
Isofix child seat anchors and top tether for the rear bench seat
Charging system compact, Household plug type E/F and Industrial plug CEE 16A, 400V, long and straight, Mode 3 cable for 22 kW public charging
Choice up to 13 body colors

Warranty: 3 years with no limit on mileage (battery: 8 years or 160,000 km)
