Q3

„Strong!“

Indeed the second generation of Audi Q3 is a powerful, dynamic SUV that cuts a fine figure in the city and off-road. The Audi Q3 ranked at the top safety in Europe with five stars at Euro NCAP (New Car Assessment Programme).

„Wow!“

Dynamic lines, excitingly designed surfaces and maximum three-dimensionality lift the Audi Q3 out of the crowd. The raised front shows presence, Matrix LED headlights (Q3 Advanced, Q3 S line) take its radiance to a new level. Another special feature is the new grill architecture, which immediately reveals the genes of the Q family.

Audi Q3 won **“Best Cars 2019”** Readers’ Choice award compact SUV/off-road vehicles in Germany by technical magazine “auto motor und sport”

Audi Q3 won **“Company Car of the Year 2019”** award compact SUV segment up to 4.50 meters in length from *firmenauto*.

„Progress on wheels!”

The new Audi Q3 35 TFSI comes with impressive driving dynamics.
Powered by Progressive Steering to increase agility and reduce steering effort,
the front wheel drive Audi Q3 S tronic with 7 speed is responsive.
Its 1.5 liter engine delivers 150 horsepower and plenty of torque
even at low speed for driving pleasure in the field and in the city within seconds.

Size matters

The new Audi Q3 redefines space and comfort in every dimension. The dashboard in 3D look, the 12.3-inch virtual cockpit plus (Q3 S line) the new MMI center display with 8.8-inch (Q3, Q3 advanced) or 10.1-inch touchscreen (Q3 S line). This makes the operation of all comfort and infotainment functions more intuitive than ever.

„Sounds great!“

The Audi smartphone interface connects your smartphone to the vehicle and reflects apps on the MMI screen. So music streaming services can be accessed at any time.

Bang & Olufsen Premium Sound
with 3D effect delivers true-to-original sound (Q3 Advanced , Q3 S line)

Matrix LED spotlight

Easy to use technology includes
Audi park assist with 360 cameras, Matrix LED spotlight (Q3 Advanced , Q3 S line),
Audi virtual cockpit plus 12.3-inch (S line) fully digital instrument cluster.

„Practical!“

"Easy to use technology, design and comfort make the new Audi Q3 particularly suitable for everyday use. The storage space increases in no time from 530 to 1,525 liters of load volume with the optional extended storage and luggage room package.
Not only the luggage, but also the passengers in the front and in the rear enjoy the Audi Q3 generous space.

„Pretty stylish!“

The Q3 advanced equipment line focuses on the exterior design: the contrasting finish in Manhattan gray Metallic has striking accents . Various interior packages offer the opportunity to round off the perfect picture with sports seats, elements in Alcantara, elegant aluminum look and many other details. And best of all: The different exterior lines can be combined with any interior package

Interior design selection

Q3 advanced with contrast coating Manhattan metal and optical package black

18-inch cast aluminum wheels in 5-arm design 7J x 18 with 235/55 R 18 tires

Interior S line

Door sill trims illuminated with aluminum inserts, with S lettering

19-inch cast aluminum wheels in 5-twin-spoke dynamic design (S design), 7J x 19 with 235/50 R 19 tires

„Let's go!"

The S line shows the Audi Q3 from its sportiest side. Striking front, large air intakes and a dynamic rear diffuser already show from the outside, what is in it. Its interior is in no way inferior. Elements such as sports steering wheel in perforated leather, sport seats with fabric-leather Alcantara surfaces and aluminum decor make you a fan.

„Powerful look“

Select the paint color that best suits your personality. Secure in the knowledge that the quality will be superb, because your Audi Q3 is not painted just once, but four times. So not only you look radiant in your Audi, the car is also protected from many environmental influences as well.
Ensuring that the car maintains its powerful look throughout its entire lifetime.
