Q5

A PIECE OF GERMANY

Rugged new look Distinctive Matrix LED headlights

Wider front octagonal Singleframe, larger air intakes, Matrix LED featuring new daylight signature, Streamlined longer silhouette, higher ground clearance, rear spoiler and aluminium roof rails accentuate the Audi Q5 sturdy design. Sporty honeycomb Singleframe, S line bumpers and chrome strip framing rear diffuser on Audi Q5 S line.

Power drive

The Audi Q5 45 TFSI quattro 2.0-litre petrol engine generates 183kW and 370Nm of torque, sprinting from 0 to 100km/h in 6.3 seconds. Top speed is 237km/h.

The Mild Hybrid Electric Vehicle system features 12-volt and a compact lithium-ion battery. BSG recuperates braking energy and stores it in the battery. MHEV allows coasting with the engine off, and start-stop mode at speeds below 22km/h.

Seven-speed S tronic automatic transmission and quattro ultra keep fuel consumption low. The lightweight multilink suspension at front and rear boasts sharp handling and subtle ride.

Enjoyable drive

Head-up displays on windscreen, 12.3-inch Audi Virtual cockpit plus in dashboard. Electric front seats and memory on driver seat, all seats in leather/leatherette.

First-class interior

In the front, 10.1-inch MMI touchscreen, aluminium rhombus inlays, scuff plates with aluminium inserts, Contour/ambient light.

At the rear, manual bips for privacy, sliding rear bench plus adjustable backrests extend from 580 to 1,580 liters boot space, plus variable folding floor mat and power tailgate.

Electromechanical power steering, cruise control, tyre pressure monitoring, Start Stop system, regenerative braking energy recovery, comfort key, Hold Assist, Audi drive select, 360 cameras.
